LEGAL NOTICE

Town of Stow Request for Proposal

The Town of Stow invites Qualified Proposers to submit proposals for consulting and design services from qualified Registered Civil and Transportation Engineering firms to complete the engineering work associated with proposed drainage, vehicular, pedestrian, bicycle and streetscape improvements to a portion of Route 117 (a state number town owned road) located in Stow's Lower Village.

A full proposal package with specifications will be available December 19, 2013 at 10:00 am in the office of the Planning Department or by email to Karen Kelleher at planning@stow-ma.gov. All proposals are due to the Stow Planning Department by January 29, 2014 at 1:00 PM.
